SANTA'S WORKSHOP

Step into Santa's Workshop, where Santa, the Elves and reindeer are hard at work, preparing presents. This instant win game is really simple to play. As Santa rolls out 3 new presents on the factory conveyer, all you need to do is select one of the presents. Inside, is either a lump of coal or coins. If you pick a present with coins, you win and the round is over.

CONFIGURATION

- Game type - instant win
- Configurable Bet values
- RTP = 89.00%
- Autoplay / Autobet - 10 to 50 rounds
- Platform = HTML5 (desktop & mobile)
