# TOKYO NIGHTS

Come party in the Tokyo underworld in the action-packed Tokyo Nights video slot. Rub shoulders with various characters of the night from the Yakuza Boss and his bodyguards, to Geishas and DJs. The 25-line, 5-reel slot is full of features including Free Spins when 3 or more scatters appear. There is also the wild dragon symbol that can substitute for all regular symbols and multiplies the winnings. Achieving 3 or more bonus symbols triggers the bonus round. Finally, there is the attached wild which appears randomly and can award between 1-15 wild symbols, thereby increasing your winning potential substantially. Ready for some Saki and Tokyo gangster action?
