

WORLD CUP KENO

A soccer ball is positioned to the right of the word 'KENO' in the title. The background of the entire image is a blue geometric pattern of triangles. In the top-left and bottom-right corners, there are partial views of a circular wheel with various national flags, including the USA, Argentina, Portugal, Mexico, Spain, England, Brazil, Japan, and Uruguay.

It's kick-off time for World Cup Keno. Lace up your boots, grab your football and score the winning goal. Pick your lucky numbers and get ready for Keno with a football twist. World Cup Keno is super simple to play and all you need to do is choose 10 lucky numbers between 1-80.

Then, watch as 20 numbers are drawn; the more matching numbers you have, the more you win. But, here's the kicker... an additional 3 lucky numbers are drawn at the same time and if you match all 3 lucky numbers.... GOAL!!! You get to spin the Multiplier Wheel that could multiply your winnings up to 100 times.
