## GAME FEATURES

### • MAGIC FLOWER

There are **4 locked reel** positions in **the bottom row**. When the **Magic Flower lands**, it **unlocks the locked reel position** in the last row and the symbol in that position, then **splits up to 6 times**. The winnings are then calculated based on the new number of combinations.

### • TUMBLING TILES & WIN MULTIPLIER

With every winning combination, the winning symbols are then removed, and new symbols come tumbling down to possibly form even more paying combos, plus with each win the multiplier increases by **1x** up to an impressive **20x**.

2x

### • FREE SPINS

When **4, 5 or 6 Scatters** land anywhere on the reels, it triggers **10, 15 or 20 Free Spins** respectively, and if a **+2 or +3** unlocked symbol land in the last row during the **Free Spins**, you score an **extra 2 or 3 spins**. The **+2/+3** symbols are then removed allowing for the symbol on the right to fill the open position and it splits up for more winning potential.

### • BUY BONUS

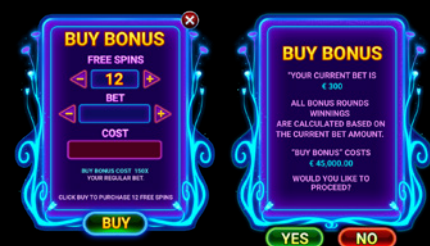

Activate the Bonus feature anytime during the base game with the **"Buy Bonus"** option.

Choose an option to play and enjoy the unique options of the different features available.
