GAME FEATURES

VOODOO DOLLS

Get the winning magic started when Voodoo Dolls are thrown at random onto the reels and transform to reveal new symbols. The action doesn't stop there because if the dolls land on a magic ball, they expand to adjacent reels and can even split up to 6 times for more winning combinations.

FREE SPINS

Start reeling in more wins with the Free Spins feature. To take things to next level, if the Voodoo Dolls activate during the Free Spins, any newly transformed symbols that do not form any winning combination, transform back into Voodoo Dolls. The dolls then walk one row up with each spin until they form a winning combination or exit from the reels.
