GAME FEATURES

CASH PRIZES

Let the winning begin with the Cash Prizes up for grabs. When a Cash Prize value is displayed above a reel, and a Diamond symbol lands on that reel, you win the Cash! To keep things interesting, the prizes move to a new reel with each spin.

STACKED WILDS & REEL TILT

The fun never stops with Joker Diamond because Wilds can land in stacks of up to 3. More Wilds means a bigger chance of winning more. There is also a random tilt that can occur on some reels to reveal additional Wilds.

FREE SPINS

Keep the reels spinning and keep winning with the Free Spins feature. If Free Spins are displayed above a reel, all it takes is a Diamond symbol to land on the reel with the Free Spins to activate the feature. Best of all, the Free Spins can be retrigged for even more captivating wins.

COLLECT POTS

Like the Cash Prizes and Free Spins, all you need to trigger the Collect Pots Wheel is land a Diamond symbol on a reel with "Collect Pots" above it. Then, you get to spin the wheel to win the Mini, Minor, Major or Grand prize.
