UNCHAIN THE DRAGONS

In a mystical land far away, hidden deep in the mountains, are Dragons that have been enslaved to protect priceless treasures. These majestic creatures, despite their ferocity, wish to bring you no harm and simply want to be freed from captivity. Your quest is to free the dragons, and in return, you will be rewarded with riches beyond your dreams.

Unchain the Dragons is a fiery 5x6 slot that is pure adrenaline-pumping action with every spin. Start your adventure with the Moving Wilds that can appear at random on the reels. The Wilds remain on the reels, and with each spin, they move up 1 reel position until they exit the reels. The Dracarys feature activates when a red dragon lands on a Moving Wild, and then transforms all adjacent symbols into Wilds for flaming hot payouts. The Valahd feature brings a dragon randomly to drop more Wilds onto the reels. Keep the payouts coming with 15 Free Spins with enhanced odds for more wins, more often.

The dragons are waiting for you. Play Unchain the Dragons now!

GAME FEATURES

MOVING WILDS

Fire up your dragon adventure with Moving Wilds that may appear anywhere on the reels at random. Then, with each spin, the Wilds move up 1 reel position until they exit the reels, giving you more winning opportunities with every spin.

DRACARYS FEATURE

To crank up the Moving Wilds payouts, when a Red Dragon lands on a Moving Wild, all adjacent symbols transform into Wilds too for out-of-this-world prizes.

FREE SPINS

Your quest gets only more exciting and rewarding when 3+ scatters land to trigger 15 Free Spins. To keep the reels spinning for even longer, the Free Spins can be retriggered for an extra 15 Free Spins. Plus, during the feature, the odds of winning increase.

VALAHD FEATURE

Stay alert because at random during the base game and Free Spins, the Dragon may appear and randomly add additional Wilds to any reels for non-stop action!
