## GAME FEATURES

### STICKY RESPINS

The Wild West fun and thrills begin during the base game when the Sticky Free Spins feature triggers randomly after a winning spin. The symbol that formed the win becomes sticky and 3 respins take place with only Sticky symbols and blank spaces on the reels, plus to take things to the next level, an extra reel row may get activated for more winning ways!

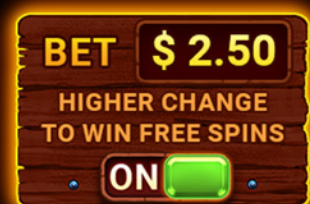

### FREE SPINS

The winning action continues when 3+ Scatters land anywhere and trigger 15 Free Spins. Before the Free Spins begin, a random symbol is selected that becomes sticky for the feature. To crank up the winning odds, only Scatters, Wilds and Blank symbols appear during the Free Spins.
