# MAMMOTH MAYHEM

In a remote and desolate icy wonderland, Woolly Mammoths have survived and thrived. These gigantic creatures are also said to be the gatekeepers to frozen treasures that have been hidden for millennia. Gear up and join the trek to meet these majestic animals and to find the treasure, of course...

Mammoth Mayhem is a 972 winning-ways, Woolly Mammoth-themed slot with a unique 3,3,3,6,6 reel layout. Packed with chilling features, the icy action begins when frosted symbols fill reels 1,2 & 3 to trigger a Giant Respin. The fun keeps coming when 3 or more Scatters land to award up to 40 Free Spins with reels 4 and 5 merged, plus the chance to win up to 20 more Free Spins. The adventure really kicks off with the Frozen Treasures Trek that awards Cash Prizes and Super Free Spins as you collect lava tokens and advance along the map.

Let the Mammoth Mayhem begin! Play now!

## GAME FEATURES

### GIANT RESPIN

Start reeling in big rewards with the Giant Respin feature that triggers by simply getting frosted symbols (excluding Wilds and Scatters) on the first 3 reels. Then, reels 1, 2 and 3 respin together as a giant reel for potentially colossal payouts.

### FROZEN TREASURES TREK

Get on the path to mammoth-sized WINS by collecting lava tokens to fill the meter. Then, make your way along the Frozen Treasures Trek map and collect Cash Prizes or Super Free Spins every time you advance. Each stage of Super Free Spins has unique features, and the further you advance on the map, the bigger the prizes are.

### FREE SPINS

Land 3, 4 or 5 Scatter symbols anywhere and get to enjoy 8, 12 or 40 Free Spins respectively, plus reels 4 and 5 merge and spin together to deliver more chances of winning. You could even win 20 additional Free Spins.

### SUPER FREE SPINS

Super Free Spins are awarded along the Frozen Treasures Trek map. During the Super Free Spins, the reels change to a 6,6,3,3,3 layout. At each stage, different reels merge and others mirror them to boost the odds of winning combinations.
