SURTR'S FURY

The battle for ultimate supremacy is about to begin. Surtr, the god of war, has summoned you to lead his elite battalion, and in return for your bravery and victory, he will reward you with priceless riches. Grab your sword and armour and prepare for the most epic quest of a lifetime.

Surtr's Fury is a 6x5, anywhere pays slot where all you need is 8 matching symbols anywhere on the reels to start winning. The winning symbols pay and are then removed to activate the Tumbling Tiles which allow new symbols to tumble down and form potentially more winning combinations. Plus, multipliers can take your winnings to a whole new level.

All it takes is 4 or more Scatter symbols to trigger 15 Free Spins and when the Tumbling Tiles occur, the values of any multiplier symbols that land are collected in the Total Multiplier Meter. Then, each win is multiplied by the accumulated value. Land 3 or more Scatter symbols and receive an extra 5 Free Spins.

Accelerate your victory with the Buy Free Spins option that instantly activates the Free Spins.

Surtr is waiting for you... Play Surtr's Fury now!

GAME FEATURES

TUMBLING TILES

Watch the wins come flowing in with the Tumbling Tiles that trigger after a winning combination occurs. The winning symbols are paid, removed and the remaining symbols move down to make room for new symbols to tumble down and the possibility of multiple consecutive wins. Any Random Multipliers on the reels at the end of the Tumbling Tiles are added together and the total win from the Tumbles is multiplied.

FREE SPINS

Enjoy even more action when 4 or more Scatter symbols land and award 15 Free Spins. During the Free Spins when Tumbling Tiles occur, the values of all multiplier symbols on the reels are collected in the Multiplier Meter and wins get multiplied by the accumulated value. Enjoy an additional 5 Free Spins every time another 3 or more Scatter symbols land.
