GAME FEATURES

LOCKED FRAMES

When a Pistols symbol appears anywhere on the reels, a Locked Frame gets added to that reel position, which remains sticky till 8th spin, where all Locked Frames transform into Wild symbols for some wild and crazy payouts.

BONUS FEATURE

Big bounties await when 3 Bonus symbols land and trigger 3 Respins during which the Multiplier boosts the values of all money bags up to 5x and then converts into a Bag symbol with a cash value. The Collector symbol collects the values of all bags and then converts into a Bag symbol with the collected cash value and the Payer symbol increases the value of all bags by up to 10. To keep the winning action flowing, every time a new symbol appears, it resets the number of Respins.
