VAMPIRE'S SECRET TREASURES

The full moon is out, and the creatures of the night are waiting for your arrival. If you're up for a spooky adventure with heart-pounding action, then sink your teeth into some supernatural fun when you spin the reels of Vampire's Secret Treasures.

Vampire's Secret Treasures is a 5x3 slot with 50 paylines and oozing with breathtaking features. Start taking down big wins during the base game when 6 or more Vampire symbols appear and trigger the Vampire's Respins that award 6 respins and an extra respin for each additional bonus symbol. The triggering Vampire symbols stay locked in their positions during the feature and any new Vampire symbols that appear also become locked until the feature ends. When no more respins remain or all positions are Vampire symbols, the prizes on all the Vampire symbols are awarded. Plus, adjacent Vampire symbols merge to form Mega Bonus symbols with mega payouts.

The thrills continue when 3, 4 or 5 Scatters land to activate 8, 12 or 15 Free Spins with the possibility of Vampire's Respins triggering that will have you howling at the moon with delight!
