WILD WILD WYNMOR

Magic and mystery are all part of the adventure when you step into the lab of Wynmor the wizard. Expect the unexpected and mesmerising wins as you assist Wynmor in preparing elixirs and potions. Watch in awe as he casts spells that can bring you great joy and rewards.

The magic of Wild Wild Wynmor with its 5x3 reel layout and 20 paylines begins with the Unlocking Spell that triggers whenever a Wild lands on the centre reel. Then, all locked coins and prizes are unlocked and awarded. The Mystic Rewind feature brings even more magical excitement as it randomly rewinds non-winning symbols to help land prize symbols.

The enchantment continues with the elixirs above the reels. When the left elixir pops, it activates the Hold N Respin bonus feature with only Coin and Prize symbols on the reels that become sticky for 3 respins. When the right elixir pops, it activates the Free Spins and a Wild symbol remains on the centre reel throughout the feature to unlock locked Coin and Prize symbols.

Use the Wild Booster and Buy Bonus options during the base game to dive into the bonus features and their magical versions even quicker to get the payouts flowing.

GAME FEATURES

UNLOCKING SPELL

Locked coin and prize symbols are within easy reach and simply require the Unlocking Spell to claim them. When a Wild lands in the centre position, the spell is cast that unlocks the symbols to pay out marvellous rewards.

MYSTIC REWIND

The Mystic Rewind feature has the power to turn back the hands of time. At random, when a non-winning symbol lands, the feature may trigger and replace the symbol with a prize for another shot at winning.

HOLD N RESPIN BONUS

Prepare to be spellbound when the Hold N Respin Bonus triggers. Above the reels are elixirs and when the left elixir pops, 3 Respins are awarded with a guaranteed Wild in the centre position that unlocks coins and prizes which are also sticky to help bring more payouts.

FREE SPINS

Keep your eye on the elixir on the right, because when this one bursts, it triggers 10 Free Spins. Plus, to ensure more miraculous wins, the Wild symbol remains on the centre reel throughout the feature to unlock all locked Coin and Prize symbols that land.
